

Using Closed Captioning for Unitedstreaming

Some *unitedstreaming* videos are available with closed captioning in *Windows Media Player*.

To activate closed captioning, check the box next to "Enable Closed Captioning."

You can even download videos with closed captioning.

Download the video.

Next, click on the  to download the closed captioning file.

This file must be saved in the same folder as the video AND the filename **before the .smi extension** must be identical to the video filename.
