The screenshot displays the Odyssey Learning Admin interface. At the top, there are navigation tabs: Home, Setup, Assignments, Assessment, Reports, Content, and Log Out. The 'Reports' tab is currently selected, and a dropdown menu is open, showing 'Administration Reports', 'Progress Reports', and 'Assessment Reports'. The main content area features a 'Welcome, 203735E Admin' message. Below this is an 'Administrator Tips' section with a text box and a diagram showing a flow from a report to various data points. To the right, there is a 'Compass Learning ODYSSEY' logo and a vertical menu with icons for Setup, Assignments, Assessment, Reports, and Content. At the bottom, there is an 'Activity Preview' section with an 'Activity Number' input field and a 'GO' button.

ODYSSEY Reports

Duration

The screenshot shows the Odyssey Reports interface. At the top is a navigation bar with links for Home, Setup, Assignments, Assessment, Reports, Content, and Log Out. Below the navigation bar is a header for the Reports section. A paragraph of text explains that the report module enables users to display, save, and print valuable and relevant information. A list of report categories is shown on the left: Administration Reports (Attendance, Duration, Enrollment, Assignment Status), Progress Reports (Student Progress, Progress Summary), and Assessment Reports (Objective-based Test Results, Objective Score, Test Item Summary). The 'Duration' report is highlighted. A description of the Duration Report is provided, stating it shows information about the amount of time students take on tasks. A 'Generate Report' button is visible at the bottom right of the report description area.

Enrollment

The screenshot shows the Odyssey Reports interface. At the top is a navigation bar with links for Home, Setup, Assignments, Assessment, Reports, Content, and Log Out. Below the navigation bar is a header for the Reports section. A paragraph of text explains that the report module enables users to display, save, and print valuable and relevant information. A list of report categories is shown on the left: Administration Reports (Attendance, Duration, Enrollment, Assignment Status), Progress Reports (Student Progress, Progress Summary), and Assessment Reports (Objective-based Test Results, Objective Score, Test Item Summary). The 'Enrollment' report is highlighted. A description of the Enrollment Report is provided, stating it provides enrollment information about students. A 'Generate Report' button is visible at the bottom right of the report description area.

Assignment Status

The screenshot shows the Odyssey Reports interface. At the top is a navigation bar with links for Home, Setup, Assignments, Assessment, Reports, Content, and Log Out. Below the navigation bar is a header for the Reports section. A paragraph of text explains that the report module enables users to display, save, and print valuable and relevant information. A list of report categories is shown on the left: Administration Reports (Attendance, Duration, Enrollment, Assignment Status), Progress Reports (Student Progress, Progress Summary), and Assessment Reports (Objective-based Test Results, Objective Score, Test Item Summary). The 'Assignment Status' report is highlighted. A description of the Assignment Status Report is provided, stating it shows the status, not started, incomplete, or complete, for other students or assignments. A 'Generate Report' button is visible at the bottom right of the report description area.

Show the status, not started, incomplete, or complete for student.

Student Progress

CompassLearning Odyssey's report module enables you to display, save, and print valuable and relevant information. A variety of reports cover areas such as test results, averages, time on task, attendance, and enrollment. Access to different report types is determined by your user type—teacher, administrator, or district administrator.

For a description of each available report, roll your mouse over the report name on the left. To begin creating a report, click the report name.

Student Progress Report

The Student Progress Report shows activity information, time on task, and score for each completed activity, lesson quiz, chapter test, or objective-based test within a specified date range for selected classes or students. Included is summary information, such as average score, average time, and total time for completed activities, quizzes, chapter tests, and objective-based tests.
